Talk About a "Sweet" Surprise!

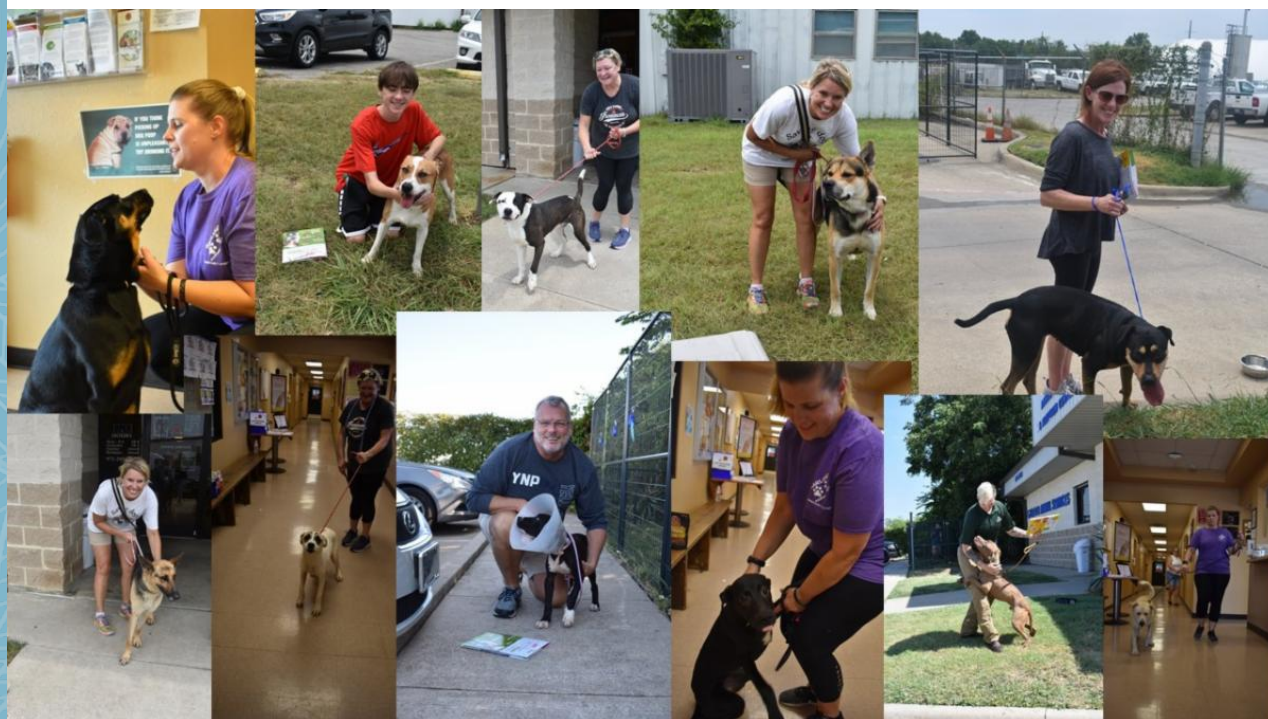

Shelter staff had a lovely surprise come their way on Tuesday, August 6! A bouquet of delicious cookies shaped like dogs were sent to the shelter from one of the local rescue partners. They added a sweet message and thanked the team for all their hard work they put into the lives of the Garland dogs! Way to go team!

Meet Officer Peachee!

Meet the newest member of the Garland Animal Services family! Officer Justin Peachee just recently started at the shelter and we can't say how happy we are to have him. Officer Peachee grew up in the Garland area and has spent 12 years in the military. He has 2 fun loving dogs at home and enjoys reading books in his free time. Thank you Officer Peachee for coming to Garland Animal Services! We are excited to see what you have to bring to our shelter.

August was a special month for dog transports! We had not one, but TWO transports take place. On Saturday, August 3 we transported 18 dogs to Idaho to find their forever homes! On Tuesday, August 13 we transported another 20 dogs to Washington to help them in their journey to find forever homes! A total of 38 dogs went up north and shelter staff could not be any happier! Thank you everybody for all the hard work to pull this off!

Clear the Shelters 2019 was a big hit at Garland Animal Services. On Saturday, August 17, 39 animals find their forever homes! Shelter staff is very thankful for the annual event and are already ready for the one next year!

Way to go Rei!

Garland Animal Services was featured on live television! Rei Zavala went on Telemundo and represented the shelter very well during Clear the Shelter!

I had a most pleasant experience with Garland animal shelter. They were very polite and answered my questions and the facility was clean and the interactions that I saw with the dogs was very positive.
